CHICAGO
CHEST 2025

**Exhibit and
Support
Opportunities**

**EXHIBIT DATES
October 20-22**

Over 7 hours of unopposed exhibit time*

**Subject to change based on final schedule.*

Expand your reach

Reserve your spot for CHEST 2025, and connect with top clinicians in pulmonary, critical care, and sleep medicine.

Meet face-to-face with key decision makers.

Reinforce relationships with your existing customers.

CHEST 2024 TOTAL
PROFESSIONAL ATTENDANCE

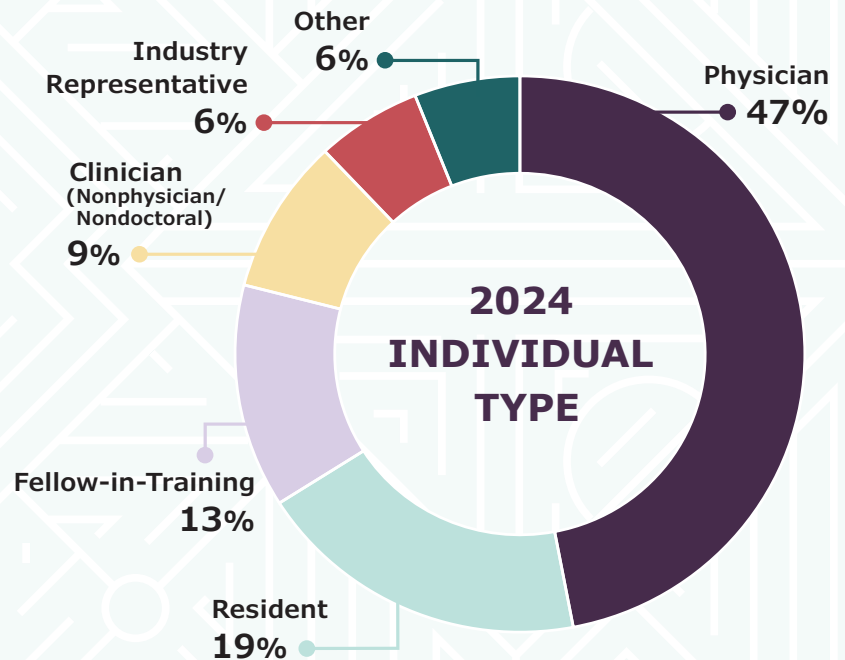

6,838

Your best **DIRECT CONNECTION** to the leaders and future of chest medicine

3 reasons to EXHIBIT

1. More influencers and decision-makers together in one place at one time
2. Most cost-effective way to reach your customer base
3. Best way to connect with current customers, building stronger relationships

October 19 - 22

CHICAGO
CHEST 2025

Tell your story to the entire pulmonary, critical care, and sleep medicine care team.

EXHIBIT HALL TRAFFIC BUILDERS

CHEST 2025 is a community of learners drawn to explore new ideas, approaches, tools, and resources that will make them better clinicians for their patients. The Exhibit Hall is your opportunity for face-to-face conversations with influencers in chest medicine.

Experience CHEST. Our own exclusive CHEST area highlights CHEST products and resources, houses the CHEST Store, and features bite-sized presentations on current chest medicine topics from some of the top names in the chest medicine field.

Concessions. Concessions and lunch available for purchase.

Poster Pavilions and Rapid Fire Presentation Areas. Select live presentations of scientific research and case reports.

CHEST Games and Mixed Reality. Innovative, interactive education opportunities, including events hosted by CHEST distinguished faculty, hands-on activities, and more, adding dimension to the learning experience.

Learning Theaters. Focused industry presentations in a theater setting offering clinical insights.

CHEST ATTENDEE TOP SUBSPECIALTIES

(Individuals may have more than one subspecialty)

Expected Audience

Pulmonary Disease/
Respirology

Critical Care/Intensive Care
Sleep Medicine

Interventional Pulmonology
Pulmonary Respiratory
Oncology

Cardiovascular Disease
Infectious Diseases

Advanced Cardiac
Life Support

Transplant

Pediatric Pulmonology

Medical Oncology

Neurocritical Care

IMPORTANT DATES

Make Plans Now for CHEST 2025

May 1

Final payment for exhibit space due

No Refund Policy goes into effect

August 4

Notification to utilize an outside contractor deadline

Proof of insurance due from outside contractor

Island booth renderings due

October 17-19

Exhibitor move-in begins

All exhibits must be fully operational by 5 PM on Sunday, October 19

October 20

Exhibit Hall opens

General Exhibit Information

EXHIBIT HALL DATES AND HOURS

Date	Hours Open
Monday, October 20	10 AM – 4 PM
Tuesday, October 21	10 AM – 3 PM
Wednesday, October 22	10 AM – 2:30 PM

Hours, including installation and dismantling, are subject to change. Exhibitors will be notified if a change in hours is necessary. Final times will be listed in the Exhibitor Service Manual.

BOOTH INFORMATION Your exhibit fee includes:

- 8' high black back drape and 3' high black side dividers per each 10' x 10' booth
- Five complimentary exhibitor badges per 100 square feet (10'x10') of space
- Listing in the CHEST event mobile app

Booth Sizing & Pricing

Booths are sold in 10x10 increments (Pricing Subject to Change)

Inline booths \$50/sq ft

Corner booths \$52/sq ft

Island booths \$50/sq ft plus \$200 per corner

Exhibitor shall pay a minimum deposit equal to 50% of the total Exhibit Space fees along with submission of the Exhibit Space Application. In the event that the Application is not accepted, CHEST will refund this payment. Exhibitor shall pay the balance of the Exhibitor Fee within 30 days of written acceptance of the Exhibit Space Application by CHEST. Beginning May 1, 2025, full payment is required at the time of application. If Exhibitor does not make payment(s) to CHEST when required, CHEST will have no further commitment to Exhibitor and will be entitled to offer the Exhibit Space to others immediately.

October 19 - 22

CHICAGO
CHEST 2025

Exhibitor Terms and Conditions

EXHIBITOR TERMS AND CONDITIONS

1. Acceptance and Designation of Exhibit Space.

All applications are subject to review and acceptance by CHEST. CHEST reserves the right to reject any exhibitor application. Upon written acceptance of an Exhibit Space Application ("Application") by CHEST, CHEST will grant Exhibitor access to, and Exhibitor will occupy, the exhibit space identified in the confirmation email from CHEST (the "Exhibit Space") during the designated time frame.

2. Prohibited Content.

CHEST does not accept exhibitors that display, promote, or sell cosmetics or beauty products, nerve stimulation and/or anti-aging equipment or devices including infrared, LED, TENS, and/or EMS units, or any other products or services contrary to the mission or interests of CHEST. Any Exhibitor found to be selling or promoting these products in connection with the Meeting will have their booth closed and personnel banned from the Meeting, without refund.

3. Description of Exhibited Content.

Exhibitor will use the Exhibit Space to exhibit the specific products, equipment, services, and/or facilities described in the Application unless otherwise approved in writing by CHEST. This description will be used in the Exhibits Guide, without change, except for edits made for the purpose of conformity to CHEST's style guide and word count restrictions.

4. Payment. Exhibitor shall pay a minimum of 50% of the total Exhibit Space fees (the "Exhibitor Fee") with submission of the Application. In the event that the Application is not accepted, CHEST will refund this payment within 30 days of notice of rejection. Exhibitor shall pay the balance of the Exhibitor Fee within 30 days of written notice of acceptance of the Application by CHEST. Beginning May 1, 2025, full payment is required at the time of application. If Exhibitor does not make payment(s) to CHEST when required, CHEST may refund any pre-paid amounts and offer the Exhibit Space to others at any time until all outstanding amounts have been received.

5. Compliance with CHEST Policies.

- (a) Exhibitor, on its own behalf and on behalf of its employees, contractors, agents, and other representatives, agrees to fully comply with the CHEST Exhibitor Rules and Regulations—located at chestmeeting.chestnet.org/—and any other written guidelines or rules provided by CHEST.
- (b) Exhibitor, including its employees, contractors, agents, and other representatives, shall maintain the highest level of integrity, respect and courtesy at the Meeting and in all interactions with Meeting attendees and CHEST staff. All Exhibitor staff attending the Meeting will be required to register

in advance. CHEST reserves the right to remove and/or ban any Exhibitor personnel failing to treat any individual with adequate respect.

(c) Exhibitor shall, and shall ensure that all employees, contractors, agents, and other representatives, comply with all safety requirements, guidelines, and directives by CHEST or the facility. CHEST reserves the right to add additional requirements at any time by written notice, including without limitation vaccine or other public health requirements.

(d) Exhibitor shall, and shall ensure that all employees, contractors, agents, and other representatives, comply with the CHEST Code of Conduct for meeting attendees (available on CHEST website), refrain from harassing, disrespectful, and disruptive behavior, and otherwise treat all individuals associated with CHEST 2025 with dignity and respect.

(e) Exhibitor shall not influence any decisions related to the planning, delivery, or evaluation of the educational sessions; interfere with the presentation of educational sessions; or provide access to, or distribute, accredited education to attendees.

6. Right to Terminate. CHEST reserves the right to cancel Exhibitor's space at any time and/or limit or prohibit access by Exhibitor personnel to the exhibition floor or any other portion of CHEST 2025 if CHEST determines, in its sole discretion, that Exhibitor or its personnel (a) have failed to comply with any provision of this agreement, the CHEST Code of Conduct for meeting attendees, or any CHEST policy or directive; or (b) their presence, display, or conduct poses a threat to the reputation, interests, or values of CHEST. Exhibitor will not be entitled to a refund.

7. Cancellation; Downsizing.

(a) By Exhibitor:

- (i) Any cancellation by Exhibitor must be in writing.
- (ii) Any cancellations or downsizing will result in a fee equal to 50% of the booth fee.
- (iii) Any booth not paid in full by May 1, 2025 is subject to cancellation and no refund given.
- (iii) No refunds will be given for cancellation or downsizing after May 1, 2025.
- (iv) CHEST retains the right to relocate an exhibitor after downsizing.
- (v) CHEST reserves the right to sell canceled or downsized space to another exhibitor without refund or permission.

(b) **By CHEST:** In the event CHEST cancels the in-person portion of the Meeting, Exhibitor will have the following options:

- (i) Apply the Exhibit Fee toward exhibition for the virtual portion of CHEST 2025 (and a refund of any difference in cost);
- (ii) Apply the Exhibitor Fee as a deposit for CHEST 2026;
- (iii) Request a refund of the Exhibitor Fee. Refunds will be payable within 90 days of the date of cancellation by CHEST.

(c) **Force Majeure:** If CHEST is unable to provide the Exhibit Space due to events or threat of events beyond its reasonable control, including damage to the exhibit hall, acts of God, public health emergency, labor dispute, or utilities failure, CHEST will refund the exhibitor fee for the portion and duration that the Exhibit Space is unusable.

These are Exhibitor's exclusive remedies regarding cancellation or inability to use the Exhibit Space. CHEST will not be responsible for any damages, including direct, indirect, consequential or incidental damages.

8. No Assignment or Sublet. Exhibitor shall not sublet or assign the Exhibit Space or its rights under this agreement, in whole or in part, without CHEST's prior written consent.

9. Compliance With Local Ordinances. Exhibitor shall obtain, pay for, and comply with any required licenses or permits related to its exhibit space or activities. Exhibitor is responsible for compliance with all applicable local health, fire, and safety requirements and requirements of the venue. All products or services exhibited must comply with all laws and regulations, including without limitation those related to the marketing of medical devices or products or regarding the making of claims of medical efficacy or safety. CHEST is not responsible for notifying exhibitors of applicable rules, laws, or regulations.

10. Intellectual Property. Exhibitor warrants that it has the legal right to display and/or reproduce any music, videos, graphics, and other works of authorship used in conjunction with its Exhibit Space, including having obtained the necessary legal rights, and paid all required royalties, as applicable.

11. Exhibitor-Appointed Contractors. Exhibitor may employ the service of independent contractors to install and dismantle their display, provided Exhibitor and the exhibitor-appointed contractors comply with the requirements specified in the exhibitor services kit. Exhibitor must complete the Notification of Intent to Use an Independent Contractor Form and return it to Josh Coe by August 4, 2025, in

order to utilize any independent contractors related to its Exhibit Space. Exhibitor shall require and ensure that any Exhibitor-appointed contractor has filed a proper certificate of insurance with a minimum of \$1,000,000 liability coverage, including property damage, with Show Management, the Convention Center, and Freeman by August 4, 2025.

12. Use of CHEST Logos/Name. Exhibitor shall not use CHEST's name, logos, or trademarks, including the CHEST 2025 logo, without CHEST's prior written consent. Exhibitor may use the phrase "CHEST 2025" in promotional materials and in booth design provided Exhibitor complies with any written branding and use standards provided by CHEST. Exhibitor shall not state or imply that any product, service, company, or position is endorsed, approved, or shared by CHEST.

13. Liability; Indemnification. Exhibitor shall be solely liable for, and shall indemnify and defend CHEST, Freeman, McCormick Place, and their respective officers, directors, employees, contractors, and agents from and against all liability, claims, demands, causes of action, judgments, damages, fines, penalties, liens, and expenses (including legal costs) arising out of or related to (a) the acts or omissions of Exhibitor, including its employees, contractors, and agents; (b) any breach of this agreement, including representations or warranties, by Exhibitor; and (c) the transportation, placing, conducting, removal, or exhibiting of the Exhibit Space.

14. Insurance. Exhibitor shall maintain in effect for the duration of the installation, use, and removal of the Exhibit Space comprehensive general liability insurance coverage with a minimum limit of \$1,000,000 per occurrence. Exhibitor shall provide CHEST with written evidence of such insurance coverage upon request.

15. Distribution of Advertising Material. Exhibitor shall not canvas or distribute advertising materials outside the Exhibit Space. Canvassing or marketing of any products in any portion of the Meeting outside the Exhibit Space is strictly prohibited.

16. Demonstrations. Demonstrations are permitted, provided any such demonstration stays within the Exhibit Space, does not extend to the aisle line of the Exhibit Space, and does not disrupt surrounding booths. Space must be left within the Exhibit Space to absorb anticipated spectators so that they do not interfere with normal traffic flow or infringe on neighboring exhibits. Volume must be at a level that does not disrupt other exhibit booths.

17. Conformity to Code. Any electrical installation and all materials utilized by Exhibitor must conform to facility rules and to all applicable codes. Electrical order forms will be included in the Exhibitor Services Kit. Exhibitor shall comply with all applicable fire and building codes that apply to the facility.

18. Booths. Exhibitor shall comply with all of the following regarding the Exhibit Space.

(a) For island booths that are 20'x20' or larger, exhibit fixtures must not exceed a maximum height of 20' if space permits (does not apply to hanging signs. See section on hanging signs for more details). There

must be access from all four sides of island booths with a see-through effect to prevent blocking views of adjacent exhibits. All exhibitors with an island booth must have their booth layouts approved by CHEST. Renderings of island booths must include all specifications and dimension and must be submitted for approval to Josh Coe at jcoe@chestnet.org, no later than August 4, 2025 CHEST reserves the right to accept or reject any layout at its own discretion. All signs must fit within the designated space and must comply with any convention center guidelines and capabilities.

(b) If an island booth is planned to be multi-level, covered, or have a ceiling, Exhibitor shall discuss these plans with Josh Coe, +1 (224) 521-9582 or jcoe@chestnet.org, and the general contractor, no later than July 7, 2025. Sufficient time is needed for blueprints to be reviewed and approved. If plans are not provided on time it may cause delays or disapproval of Exhibitor's booth.

(c) Standard booths are 10'x10' or multiples thereof and are arranged in a straight line. All standard booths consist of an 8' high back wall of drape, 3' high sidewall drape, and a standard 7"x44" booth identification sign displaying the exhibitor's name and booth number. Exhibitor fixtures, components, and identification signs will be permitted to a maximum height of 8 feet. All display fixtures more than 4' in height and placed within 10' of an adjoining exhibit must be at least 4' from the aisle to avoid blocking the sight line from the aisle to the adjoining booth. All booths must have flooring or carpet, and all associated costs are Exhibitor's responsibility. The back wall or any construction of in-line and perimeter booths must not exceed 8' in height, including signs or company name, logo, or product information. All display material is restricted to a maximum height of 4' in the front half (the front 5') of the booth and to a maximum height of 8' in the rear half (the rear 5') of the booth. Side dividers will be 36" high.

(d) CHEST reserves the right to relocate any Exhibitor in its reasonable discretion. In the event CHEST determines relocation is necessary, CHEST will work with the Exhibitor to find a mutually agreeable alternative space, failing which CHEST will have final authority to assign any relocation. No refunds will be given in the event of a booth relocation.

(e) All booths must be installed and dismantled by the designated times. CHEST may require, in its sole discretion, that any booth not set up by the designated time be closed for all or part of the duration of the Meeting with no refund issued. Any property remaining in the exhibit hall after the end of the Meeting may be disposed of or stored at the Exhibitor's sole cost, as CHEST, its agent, or the facility deem appropriate. Exhibitor will be liable for any fees or expenses that must be paid to the facility as a result of late removal of any Exhibitor's materials or equipment.

19. Selling on the Floor. All business activities of Exhibitor are restricted to the confines of the Exhibit Space and Exhibitor shall not sell merchandise for delivery on the exhibition hall floor. Exhibitor is solely responsible for collection and payment of applicable taxes as well as adherence to all laws related to business practices or sales conducted by Exhibitor, including its employees, contractors, and agents, in or outside the exhibition hall.

20. Photography. Exhibitor shall not photograph, video-record, or otherwise record another exhibitor's booth without their written consent.

21. Neighboring Booths. CHEST is not responsible for ensuring that any neighboring booths are not a competitor of exhibitor. CHEST does not guarantee that a competitor will not be located next to or near Exhibitor. Exhibitor is responsible for monitoring the floor plan on a continuous basis and requesting that Exhibitor (not competitor) be moved if necessary. CHEST will make reasonable attempts to honor, but does not guarantee, such requests.

22. Staffing. Exhibitor shall maintain the Exhibit Space intact and staffed at all times during exhibition hours. Violations of this rule may result, at CHEST's sole discretion, in closure and dismantling of the Exhibit Space at Exhibitor's expense. Exhibitors vacating their booth before the closing of each day or prior to the final close of the show will incur a loss of priority points and may be prohibited from exhibiting at future CHEST meetings.

23. Suit-casing Policy. Any individual who is observed soliciting business in the aisles or other public spaces, in another company's booth, or in violation of any portion of the Exhibition Policy, will be asked to leave immediately. Additional penalties may be applied at CHEST's sole discretion. Please report any observed violation to show management. Suit-casing may also take the form of commercial activity conducted from a hotel guest room or hospitality suite, a restaurant, club, or any other public place of assembly. For the purposes of this policy, suit-casing violations may occur at venues other than the exhibition floor and at other events. Show management must be informed of any hospitality suites, which may only be conducted with CHEST's prior written consent.

24. General Provisions. These terms and conditions, including any referenced documents, constitutes the entire understanding of the parties with respect to exhibition at CHEST 2025. Any other agreement between the parties purporting to apply to Exhibitor's purchase or use of exhibitor space will be in addition to, and will not supersede, nullify, or have primary effect over these terms and conditions regardless of whether such agreement claims to have such effect. In the event of a conflict between these terms and conditions and such other agreement, these terms and conditions will control.
